

Sponsor a Meal for Emergency First Responders

In response to the challenges posed by COVID-19 (Coronavirus) the Bougainvilleas Event Venue is partnering with businesses to offer meals to police, firemen and paramedics during this unprecedented national crisis. Join the #HoustonStrong community and donate a meal today.

Sponsors can select their local first responder, or we will happily make the selection for you. Sponsors may support as few as ten or as many as a hundred+ meals. The Bougainvilleas Team will carefully prepare and deliver your order for you. And you will receive a photo of your first responder enjoying their meal. All sponsors will have the option of company recognition via social media...etc or remaining anonymous.

Your leadership and generosity support not only our first responders, but also our hardworking employees.

"Alone we can do so little; together we can do so much" ~ H.K.
